Sir:

The following is a Summary of Record of Interview for the interview conducted on May 5, 2005, between Examiner Hernandez and Applicant's representative Lesley Coulson Boveri.

Applicant's representative initiated a telephone interview with the Examiner on May 5, 2005. Applicant's representative inquired as to the validity of reference numbers for patents cited as prior art in the Office Action mailed on March 24, 2005. The Office Action referred to a reference identified by "Kim (2002/0018658)." However, the published patent application identified as 2002/0018658 is a patent application to inventors Sakai, Saito and Kawamura.

The Examiner stated that there was an error in the citation, and that another office Action would need to be generated to correct the error, as the correct reference number was unknown.

Applicants appreciate the Examiner correcting the error in the Office Action, and setting a new response due date accordingly.

Respectfully submitted,

HICKMAN PALERMO TRUONG & BECKER LLP
